At Battleford Addiction Treatment Centre, we have a **restricted medication list** which indicates medications we do not allow the clients to enter treatment with. Please see the following page for further details.

Medications (if more room is needed, attach list)

Medication	Dose	Route	Frequency	Reason given	Start Date	End Date	Prescribed By	Phone Number

Please remind patient that in order to be admitted to Battleford Addiction Treatment Centre, they need to:

- Be well enough to participate in the program and remain alcohol and drug free for at least 72 hours prior to Admission.
- Please discuss any restricted medication at your initial appointment to avoid any delays in processing your application
- Ensure any new medications not listed above have been pre-approved by the Admissions department
- If you plan to discontinue any medication(s) we request so in writing by your physician
- If you receive an alternative medication(s) we request a new prescription list
- If the patient's medical or psychological condition changes before their scheduled admission date, they must contact the Admissions department.

All current medications in their **original containers with proper labels**.
NOTE: **Minimum of 2 days and maximum of 4 days' worth** – Upon arrival all prescriptions will be filled through Fisher's Drug Store - 1501 100 St, North Battleford, SK S9A 0W3. The contact information to set up prescription transfer is

What if I am taking Methadone or Suboxone for opioid dependence treatment?
Methadone and Suboxone will be accepted at Battleford Addiction Treatment Centre only if your physician has indicated you are on a stable maintenance dose.
We suggest dosing prior to coming in on your admissions day to avoid any delay in receiving your medications.

What if I am currently on a restricted Medication? We have 3 suggestions for restricted medications prior to admissions:

- With physician guidance and supervision, you may be able to discontinue the medication for the duration
- of your treatment. We suggest making a plan with your physician to taper off any medications.
- You can request from your physician an alternative medication that is not on the restricted medication list.
- In the event the physician feels that there is no alternative to the medication, a medical note may be
- written by the physician stating the reasoning for the medication as well as the length of time on said
- medication(s).

Application for Admission

The note from the physician must contain the following:

1. What the medication is used to treat,
2. What dosage the patient is on,
3. What the duration of use is,
4. Statement that there is no alternative medication,
5. What will happen when client is not on this medication,
6. Statement that physician believes this medication would contribute to the client successfully completing Battleford Addiction Treatment Centre programming or addiction treatment

*** Restricted medications are always on a case-by-case basis and must be approved by medical staff ***
